Dear Parents/Carers,

We are already into the GCSE exam process and the programme will soon be in full swing. I would like to take the opportunity to inform you about arrangements for the coming weeks.

Year 11 students (except those following alternative pathways) will remain in school full time until we break up for Half Term on May 27th. This means that normal timetables are to be followed unless a student is in an exam; students who have an exam in the morning will be in their afternoon lessons and vice versa.

After we return from Half Term on 6th June, students will still be expected to attend timetabled lessons in subjects in which the exams have still not been completed. For example, the Further Maths final paper is on Friday 24th June, so any student who is entered for this must continue to attend Maths lessons until this date. For subjects where the exams have already been completed, such as Art, students will not have to attend those lessons after Half Term. They can, however, choose to go to their timetabled classroom to do revision. If you are unsure about when exams take place, the timetable is on the school website and also on Firefly.

Throughout the remaining time in school, until the end of their final exam, students are expected to maintain a high standard of behaviour. This includes wearing correct school uniform and bringing correct equipment. If they are leaving school during the day, they are expected to sign out so we can keep track of who is on site. We thank you in advance for your support with this.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'L. Morris'.

Mr.L.Morris
Deputy Headteacher
