Dear Parents/Carers

As you may be aware, on Thursday 16th June, England play Wales in the European Football Championships. Following consultation with students, we know that a significant number of them have a great interest in this game; it is a rarity for home nations to meet in a major championship. This has been discussed with governors and a small change to the curriculum has been agreed.

On Thursday 16th, we will have normal lessons up until the end of Period 4 at 2.00. Those students who wish to do so will then be able to watch the game in one of two venues. Those students who do not wish to watch will go to an allocated classroom where they will undertake a creative activity relating to a British Values theme. In order to reinforce the British Values element of the day, we will be using the event to raise money for the Douglas Macmillan Hospice. Food Technology students will be preparing snacks to sell during period 5, and students who wish to may wear a football shirt during period 5 in return for a contribution of 50pence.

School will end at half time in the game (between 2.45 and 2.50) to allow students who live locally the chance to be home in time for the second half. Those who live further away will be welcome to remain in school to watch it.

Yours faithfully,

Mr L. Morris
Deputy Headteacher
