Dear Parent/Carer,

As you know, your son/daughter took part in the KMF Young engineer of the year project last term and one of the prizes for winning the best photograph award is a trip to Airkix, an indoor skydive wind tunnel, in Manchester on Friday 23rd September.

Students will leave school at 9am and will be back before the end of the day. There is no cost to the students and consent is required by 19th September, both via school comms and also a separate agreement needs to be signed for Airkix by going to the following web address (a link will be put sent via Firefly for students as well): <http://sor.airkix.com/sor/statementform.php>

Students will need to bring a packed lunch and those requiring a meal from school should see myself at the earliest opportunity.

If you have any questions regarding the trip please feel free to contact me via the school number or email at shall4@sgfl.org.uk.

Kind regards,

Mr. Hall
Trentham High School
