

## Approved list of calculators for use in GCSE Examinations 2016/17

To ensure compliance with examination regulations the following calculators will be acceptable for use in GCSE Examinations:

- **Aurora SC582**
- **Casio FX-83 series**
- **Casio FX-85 series**
- **Sharp ELW531 series**
- **Sharp EL53 and EL52 series**

All candidates will be required to submit their calculators (times to be advised). A member of the exams staff will be situated in the foyer to check and collect them. Candidates will be required to reset and clear all memory at the time of submission and any lids or cases removed. A name sticker and proof of checking sticker will be applied. Calculators will be placed on the appropriate exam table in time for the exam. Calculators may be used in the following exams:

- **Mathematics**
- **Further Mathematics**
- **All Science examinations**
- **Product Design**
- **Statistics**

Any candidate who does not have their own calculator will be able to borrow one for the duration of the examination. These will be placed on the exam table prior to the examination if a calculator has not been submitted.

**If your calculator is not *specifically* listed above and checked in, it will NOT be allowed into the exam hall and will be confiscated immediately if found.**
