Football Success

National Cup.

U14's

Sir Graham Balfour Academy 1 - 6 Trentham High School

Once again a very impressive result for the under 14's football team on Thursday evening. The team started off with an excellent goal from Eden Bailey; a well taken header from a corner. The home team then found their rhythm and scored midway through the first half. The game was evenly poised but two goals before half time settled the Trentham nerves. Sam Parry and Eden Bailey scoring these goals. The second half started with Trentham playing with a renewed confidence. Eden Bailey scored another quality goal to complete his hat-trick. This then spurred Sam Parry to score two excellent second half goals to complete his hat-trick. Well done to all who played on the evening in what was a very convincing display. A big thank you to Mr Ablewhite once again for orchestrating the victory.

Boys Cross Country - Race 3 at St. Joseph's College

On Wednesday 2nd November, the boys cross country teams went to their third and final race which was hosted at St. Joseph's College. We were blessed with a dry evening for the races and once again six schools were in attendance. The prize for the best overall teams for each age group would be decided on the evening, with the Trentham under 14's team holding a slender lead over St. Joseph's College. With the under 16's and under 14's races underway, it looked as if Trentham were being pipped to the post with a very strong St. Joseph's team, but on the last lap the Trentham lads pulled out all the stops and finished 3rd, 4th, 5th and 6th respectively. The under 14's team were the best placed team over the three races and City Champions! An excellent achievement, with Callum Lowe once again medalling and finishing 3rd in the under 14's race. He has now got the complete set of medals having finished 1st and 2nd in the other two races!

The other runners from Trentham H.S. did well with the under 12's team and under 16's teams both finishing in second place behind St. Joseph's. Well done to all the athletes who competed on the evening and especially to Tom Robinson who once again stepped up to run for the older age group. Pictured below are the winning under 14's team (minus Michael Harris) and the remaining runners (minus Harrison Lee).
