Christmas Concert

'Over 40 students from all year groups performed at the Christmas concert on Thursday 10th December to a packed hall. The audience loved every minute and the students received great feedback from parents, staff, governors and fellow peers. Even the newly formed staff band performed much to the students' delight!

Well done to everyone involved and for the commitment that all students have shown over the last term.' Many thanks to Miss Gardner for sending the above information. The students who participated in the concert are listed below.

Michelin Athletics Club Award

Well done to Chloe McCourt
 (Year 11 - pictured above) who was presented with the shield of 'Jogger
 of the Year' at the annual Michelin Athletics Club Awards evening held on
 Saturday. Thank you to Mrs McCourt for sending in the information
 below.

'Chloe decided that she wanted to do a mud run next year but we said
 that before doing this she would have to get fitter. Over the last six
 months she has been running at the Michelin Running Club where we (mum
 and dad) both run and she now can run 4 miles without stopping (before

she joined the club she couldn't run half a mile!) We are very proud of her and she has found it is an excellent way to release stress on a Wednesday evening if she has had a tough day at school!
Once again well done Chloe!

Stoke City Enterprise Challenge

Last Friday five of our year 10 Business Studies students represented the school in a Premiere League ran competition, that sets the challenge of improving the experience of supporters at games in the Premiere League. The competition was held at the Britannia Stadium. Although the team were unsuccessful, they represented the school professionally and were a real credit to Trentham High. Many thanks to Mr Rhead for the above information and for mentoring the students on the day. The students were:

Josh Roberts, Jack Bromfield, Tom Washington, George Gaitley and Aqeel Taj.

Students Performing Above and Beyond

Well done to the following students who have excelled this week.

Computing Expertise

Bradley Hampton (Year 10) has been working on the development of the Careers pages on Firefly. Rachel Holford from the Careers service says that he not only brought significant computing expertise, but also great reserves of patience as she is not the most technically-minded of people.

Excellence in Art

Mrs Hadgett has been very impressed with the effort and attitude of following students. She also added; 'Excellent effort and a creative approach in presenting artists' research. All students worked independently to produce some outstanding work. Well done everyone.'

Super Student Leaders

Miss Hully and Mr Bunyan would like to give a huge thank you to our Student Leaders who have been supporting training sessions for teachers across Stoke as part of being an Apple Regional Training Centre. They are Ebony Lovatt, Sam Jones, Katrin Hookway, Natasha Cope, Lily Culham and Megan King. Delegates have regularly commented on how impressed they have been with our RTC Leaders; professional and effective in guiding them how to use iPads effectively in classrooms.

A super shout out is needed for Ebony Lovatt who was given a video tutorial using the 123D Design app to make a simple toy car but developed her own skills and produced this fantastic customised design!

A 'Heart of Gold'

We are all aware of the many talents that Reece Barker (Year 11) has. He is a regular in all the school productions, concerts and did a great job of comparing the Christmas Concert on Thursday evening.

We recently found out that out of school he has been performing at various events/functions and using the money he has earned in a very special way. Many thanks to Miss Malbon for passing on the following information:

'Reece has been singing and earning his own money over the past couple of weeks, he has been using all of his money to buy gifts to give to various children's homes and refuges for families who are less fortunate at Christmas. One of the homes that we are going to has got in touch with Reece, as she was a pupil from Trentham High and has asked him to sing there.'

Well done Reece. We are very proud of your generosity and good will. A truly superb gesture. (Pictured below some of the items Reece has bought).

Attendance:

Congratulations to GKBA for topping the attendance chart this week with 100%. Well done!

Top performers for Merits this week:

Well done to Bradley Hampton (CJGI) on achieving the most Merits this week (8), and to the 453 students who managed to get one or more Merit. Keep up the good effort.
