County Cross Country Success - English Schools for Olivia Ball

On Saturday 4th February several students from Trentham High School represented the City of Stoke on Trent at the County Cross Country meeting at Rodbaston College. With all the districts within Staffordshire in attendance, the best cross country runners in the county assembled to set their mark. The course was flat but puddles of ice covered many parts making it a difficult one to run. The stand out performance on the day came from Olivia Ball. She had an outstanding run in the Junior Girls race and finished in a superb 5th position. She has now gained automatic qualification to represent Staffordshire at the English Schools Championships which will be held at the Norfolk Showground on Saturday 18th March. This is a fantastic achievement and we wish her every success. Olivia is pictured below with her qualifying letter.

Another good performance on the day came from Daniel Collins who came 11th in the Junior Boys race. He was joined in the City team by Caleb Galloway, Tom Robinson, Michael Harris and Callum Lowe. The boys are pictured below.

There was also a strong presence from our year 7 students. The boys were represented by Sam Hawkes, Corey Churchill and Jack Armsrtrong who are pictured below.

Amy Lees, pictured above (year 10) and Connie and Kitty Halket, pictured below (Year 7) also gave an excellent account of themselves at the County Cross Country. Well done!

English Indoor Rowing Championships Success

Several Trentham High School students attended the English Indoor Rowing Championships over the weekend. There were many success stories, which are highlighted below. Many thanks to Darren Barton who coaches at Trentham Rowing Club for sending in the information below. (More pictures to follow).

Glen Parrish

Did an amazing performance in the individual 2,000m race. He achieved a silver medal. Superb!

Megan Knight

Megan (pictured below) had the task of rowing as many metres as possible in a time of 3 minutes. She achieved silver medal. Brilliant!

John Parrish & Glen Parrish

The lads were a part of a J16 team that achieved a silver medal and Glen went into an 'Open Mens' event and achieved a gold medal. Outstanding!

Megan Knight

Megan rowed up to the J14 team and just missed on a silver medal with some errors in the team which was a shame.

Elliot Jackson

Did a great job with his first ever event for the club. He came seventh in his category. There is plenty more to come from this lad!

Well done to Owen Brindley who has achieved his Gold Scout Award. This is the highest achievement a scout can get! Many thanks to a very proud Mrs Brindley who sent this information in. Owen is pictured below with his scout Group.

Dancing Achievement - Move It 2017

Lara Bailey is an up and coming dancer. She has now been selected to perform as part of 'Move It 2017' with the performance being held at the Excel Arena in London. A fantastic achievement. We wish her every success.

Lara has been good enough to write this brief report on her path to 'Move It 2017'.

'I have been interested in dancing since the age of 3 and started at a local dance school. The dance school has led me into many directions such as Elmhurst JA, Royal Ballet MA, and Midas SA, SYB, CYB, English Youth Ballet.

A few weeks ago I auditioned for Move It 2017, and successfully got in. 'Move It' is where you can meet famous dancers and work towards being a professional. The dance that I am going to be performing is where I am at a ballet class (the basics), and then I end up a professional.

I am going to be performing this piece with the DJB in the London Excel Arena in March!
