

Achievements Update
30th November - 4th December 2015

Year 7 Indoor Athletics

Congratulations to the following students who competed in the year 7 indoor athletics competition last week. The boys finished in 2nd place & the girls came 3rd. An excellent effort by all who took part during the evening. Well done!

Sports-hall Athletics

Over a two week period over 800 Year 5/6 pupils took part in a variety of sports-hall athletics competitions at Trentham High School.

18 schools from the South Stoke area participated in various track and field events in the sports-hall.

All the events were led and supported by over 30 young leaders from Trentham High School. (Pictured below).

Mr Glover said, "All the leaders gave up a great deal of their free time to help run these events. They worked extremely hard and feedback from the teachers at the primary schools has been outstanding. I would like to give a big thanks to all involved."

A big thank you to Mr Glover for organising the events and for the write up.

Year 11 GCSE PE Residential - Standon Bowers

Over the weekend twenty year 11 GCSE PE students from Trentham High School attended a residential at Standon Bowers. With orienteering and mountain biking being assessed, a busy weekend lay ahead for the students.

Miss Robinson reported that:

'The students were a credit to the school. All of the Standon Bowers staff commented on how fab they were. They all worked so hard and managed to get some excellent GCSE practical scores. They all looked after each other during the activities & were all more than happy to help out with cleaning and tidying.'

Below is a picture of all the students who attended the residential:

Students Performing Above and Beyond

Well done to the following students who have excelled this week and over the previous weeks but we've only recently found out!

Trafford Centre Rewards Trip

The first 'rewards trip' took place on Wednesday 2nd December. The students and staff had a very enjoyable day at the Centre. Well done to all the students who had met the target score of 2.0 or better in their A2L and EXT.

Cadet Honours

We have mentioned on numerous occasions the success that Chris Mulroy (year 11) has had representing the Staffordshire ATC Wing Band. They won the Regional Finals and have also been crowned as National ATC Champions. Below is a picture of Chris with his winning medal.

Well done Chris!

Attendance:

Congratulations to SJJO for topping the attendance chart for the second week running with 99.52%. Well done!

Top performers for Merits this week:

Well done to Anthony Douglas (GLGA) on achieving the most Merits this week (6), and to the 485 students who managed to get one or more Merit. Keep up the great effort.
