Dear Parent/Carer

You can now make payments online to school via debit or credit card or Bank Transfer

With the introduction of the new service - 'School Gateway', you will now be able to make payments online for new items such as trips or tickets. We will notify you by text or email when new items are available on School Gateway. You will also be able to give online consent, where required, for your child to take part in activities.

Aside from saving the school time and money on administration, School Gateway will also make it easier for parents to pay any time 24-7 and reduce the amount of cash being carried by children on school premises.

Initially this will be for trips and other extraordinary items purchased from the office. We are hoping to implement payment for school meals online from September. We will contact you with more information on this nearer to the time.

What you need to do now

Activate your School Gateway account. It's quick and easy to do. All you need are your email address and mobile number that school holds on record for you.

Download the app: If you have a smartphone, please download School Gateway from your app store (Android and iPhone)

Or

Visit the Website: www.schoolgateway.com and click on 'New User'. You'll receive a text message with a PIN number. Use this PIN to log in to the School Gateway.

If you are having trouble logging in, it may be because the school doesn't have your current email and mobile phone number on record. Please call the school and we'll update the details on our system.

Thank you for your help.

Dr R Blencowe
Headteacher
